

# New Door Handles Maintenance Schools Demo Units For Sale Meet Scott Seney

July 2012 Volume 4 Issue 7

## NEW AND IMPROVED DOOR HANDLES

We have moved to another generation of door handles. These new style door handles will be standard equipment on all our 2013 Model 2000 groomers and Model 1600 series machines. We have tested this new style handle for a full season in some of the worst weather last winter could offer. The result was a durable door handle that makes Tucker Sno-Cat® vehicles even more user friendly than before. One benefit is how easily the door shuts. The new style handle is engineered for ease of operation. You will also notice the inside portion of the handle can be used as a grab bar.

Tucker Sno-Cat® Corporation  
2872 S. Pacific Hwy  
Medford, OR 97501

# DEMO UNITS FOR SALE

If you are interested in purchasing a demonstrator please contact our sales department. We manufacture demo units for both testing and demonstrations. We also have demo transport trailers available for purchase. Purchasing a demonstrator can be beneficial. We sell our demonstrators at a discounted price yet still offer a factory warranty. Currently we have the following demo's available for immediate delivery:

2011 2000D 5-passenger, 12-way blade

10,000lb. GVWR 2000XL Trailer

2013 2000E 2-passenger extended cab

# MAINTENANCE TRAINING

2012 Maintenance seminars are scheduled as follows:

**Utility Vehicles.....August 1st - 2nd    Grooming Vehicles.....September 5th - 6th**

Flyers and the information below will also be available in the TRAINING AND SEMINARS section of our website.

The seminar will be at our factory location – 2872 S. Pacific Hwy. Medford, OR 97501. This two day seminar will cover:

1. Basic Components of the machine
2. How the machines are assembled
3. Factory tour
4. Service and maintenance
5. Questions and answers.

The cost will be \$345.00 per person. This includes coffee and donuts in the morning and lunch both days.

Please respond either by e-mail ([jeffg@sno-cat.com](mailto:jeffg@sno-cat.com)) or contact Jeff Godard at 541-779-3731. Return this invitation with check payable to Tucker Sno-Cat Corp. (2872 S. Pacific Hwy. Medford, OR 97501).

# MEET SCOTT SENEY

Scott has been with Tucker Sno-Cat® Corporation for almost 15 years. He was born in Spokane, WA and moved to the Rogue Valley in 1984. He started in the electrical department working as a technician. Scott is now our electrical systems designer. As you know our machines have more electronically controlled components than ever before. So as you could imagine Scott is a valuable source of information. Scott is married with two children and in his spare time he enjoys hunting, camping, riding the sand dunes, kids sports, and spending time with his family.
